[Have you been to Mount Cain?](#) from [stillinmotionmedia](#) on [Vimeo](#) .

Vancouver Island's ONLY 100% Canadian owned and operated ski resort

HIGH STANDBY! Waiting on more snow...

So there's a LOT of snow in the forecast. As soon as we know whether there's enough to open this weekend...so will you! Keep checking this site! Our operatives will be making the call this week!

**JOBS! JOBS! JOBS!**

Mount Cain is looking for a bus-driver. It's not a paid position per se but offers a ski pass and accommodations (which are as rare as Rhodium this season). Please apply to [mgreen@mountcain.com](mailto:mgreen@mountcain.com) . Need Class 4 license.

As the only fully Canadian-owned and operated ski resort left on Vancouver Island, we know all about bacon, maple syrup, walking uphill both ways to school in the snow, and getting your tongue stuck to metal posts on a dare. We also know about bottomless powder, and low-to-no lift lineups.

Ski the Island's best powder. Buy local. Stay local. Resistance to the Vailborg.

And viva Woss Vegas!
